**Product Information Sheet**

<b>Product Name:</b>	EZ-ACCESS <sup>®</sup> TELESCOPING PLATFORM RAMP
<b>Stock Number:</b>	PLATFORM 5
<b>Description:</b>	<p>The telescoping multi-purpose ramp designed for scooters and wheelchairs. The PLATFORM 5 makes mini -size vans accessible while also acting as a semi-permanent ramp. Designed for maximum portability, the lightweight and compact design allows the ramp to conveniently store and set-up in seconds. Also excellent for bridging gaps over steps and curbs. Extending from 3 ft. to 5ft. in length, the 30-inch wide ramp provides for a safe and solid driving surface. Features two sections that connect to create one telescoping ramp that slides easily and allows the ramp to be used at various lengths between 3-ft. to 5-ft. Supports up to 650 pounds. <b>UPS Shippable</b></p>
<b>Usage Category:</b>	Wheelchairs and Scooters
<b>Dimensions:</b>	3' – 5' x 30" x 3" useable size. Storage size is 3' x 30½" x 3"
